Recruitment Proposal

A premier recruitment process outsourcing provider, Harnessing the power of unmatched proprietary technology, the company continues to lead the industry with innovative, scalable solutions that help clients find, recruit, hire and retain top talent. Dedicated to recruitment leadership, technology and outsourcing, they offer recruiting solutions to small, medium and large organizations serving many of the world's leading companies.

Position Summary and Essential Functions:

Building strong relationships is the foundation of our success. You are responsible for developing a partnership with our client accounts by working directly with the client staffing team or the hiring managers (manager or director level) to develop and enhance strategies to ensure successful delivery of staffing services. Individuals must have the ability to perform a variety of functional tasks, work within a team environment, and exhibit a commitment to our peers, as well as our clients.

The primary focus of this role is to identify candidates for key openings within the assigned client. You will also be responsible for building and managing relationships within your assigned operating unit to fully understand the needs of the client.
